

## 1 | ASSESS WHAT YOU HAVE

Pull out all your next season items so you can see what you're working with.

ABOUT EACH ITEM ASK:

- DID I WEAR THIS LAST YEAR?
- DO I WANT TO WEAR IT AGAIN?
- DOES IT FIT WELL + FEEL GREAT? *(If not, can it be tailored?)*

If the answer is not a resounding 'YES!' to all questions, then it's probably a good item to consider letting go of.

Sort everything into 3 piles:

| 1 | KEEP   | 2 | SELL   | 3 | DONATE

See my [5 STEP CLOSET EDIT](#) for more tips and details.

## 2 | REINVEST IN YOUR CURRENT CLOSET

Make a note or take a picture of a few looks you loved last year and the pieces you look forward to wearing again. This will be a good indication of what you get the most use out of and help ensure that whatever you add, either serves a unique purpose or works really well within the styles you most often gravitate to.

ASK:

- WHAT DID I WEAR MOST LAST FALL?
- WHAT AM I MOST EXCITED TO WEAR AGAIN?
- WHAT ARE 3-5 OUTFITS I'M GOING TO WEAR AGAIN?

## 3 | MAKE A LIST

Now this is the fun part! Make a list of the items you think you'd like to add for the season ahead.

ITEM	\$	
1	_____	<input type="checkbox"/>
2	_____	<input type="checkbox"/>
3	_____	<input type="checkbox"/>
4	_____	<input type="checkbox"/>
5	_____	<input type="checkbox"/>
6	_____	<input type="checkbox"/>
7	_____	<input type="checkbox"/>
8	_____	<input type="checkbox"/>
9	_____	<input type="checkbox"/>
10	_____	<input type="checkbox"/>
	TOTAL	

## 4 | SET A BUDGET

Even if it's a buzzkill it's important to set a ballpark figure or at least a price range you want to stick to. You're much less likely to impulse shop or overspend if you've got a figure in mind to stay under.

MY BUDGET IS:

\$
